The proceeds from this event will go towards the Abraham Solomon scholarship fund, which has for the last 45 years awarded over 200 scholarships to union members and their families. We do this to ease the burden of union families to cope with the ever increasing cost of college or post-high school educational programs. Our scholarships are named in honor of two men who were instrumental in the labor movement in the early years of Bergen County. Abraham Solomon was a past president of the Labor Council and Edward Purtill was the past director of the United Labor Agency, and was passionate about community service. We are proud to honor these two giants of our labor history.

The cost of the tickets will be \$60.00 per person, or \$600.00 for a table of ten (10). Checks are to be made payable to the Bergen County Central Trades & Labor Council. Please RSVP by Friday June 28th, 2024

Thank you for your continued Support.
